PROBABLE CAUSE:

**On May 27, 2024, I, Officer McKee #139 was dispatched to the Caroline Apartments located at 1906 Griffin Road. The caller informed Lakeland Police Dispatchers that several people were in the pool that did not reside within the apartment complex.**

**During this time I was wearing my department-issued blue uniform with "Lakeland Police" patches on both shoulders, my black duty belt, and my department-issued load-bearing vest with a silver "Lakeland Police" badge above my left chest pocket, identifying me as a Lakeland Police Officer.**

**I made contact with several people in the pool within the complex. One of the males who was later identified as Jahmal Hudson was not willing to provide me with a valid apartment number within the complex. I contacted Rebecca who is the apartment complex manager and she requested that all people who do not reside within the complex be trespassed. I attempted to get Hudson to identify himself but he refused. I informed Hudson that I was verbally trespassing him from the complex. After a short time, Hudson exited the pool to gather his belongings.**

**I gave Hudson several more lawful orders to exit the property or he would be arrested. Hudson continued to ignore my verbal commands and stuck his hand in my face, while stating "I don't have to talk to you". I decided at this time to take Hudson into custody for trespassing. I attempted to grab Hudson by his right arm, but he immediately tensed his body and attempted to pull away from my grasp. I informed Hudson he was under arrest and to stop resisting. I was able to maintain control of Hudson as I guided him toward a wall. Hudson began to flail his arms towards Officer Diaz #329 and I, almost striking us in our facial area several times. Hudson struck me in my facial area one time with his closed fist.**
