Mr. Hinton,

Today I received a letter outlining your experience with two Hollywood Officers in August, as well as another separate incident two years ago. Two separate personnel complaints were generated and they will be investigated thoroughly to determine facts, and any necessary follow up actions by me.

CF No. 25-003024 was for the traffic stop conducted on August 31, 2025 on Hollywood Boulevard and Cahuenga Boulevard.

CF No. 25-003025 was for the unknown officers, unknown date approx. two years ago, who did not stop to assist when you were a victim of a robbery.

Thank you for bringing this to our attention, and we will be reaching out to you for more detail soon.

Respectfully,

ROBERT PETERS, Captain
Commanding Officer
Hollywood Patrol Division
Los Angeles Police Department

Los Angeles CA 90028
