On April 30, 2026 at ~19:34 hrs at El Colegio Rd & Camino Pescadero, Goleta, I was voluntarily stopped before any lights were activated while touring UCSB after graduate acceptance. I immediately provided my valid CA DL (Y9497611, held 12+ years). Deputies Shin #6189 and Rivera #5341 detained and arrested me anyway on false charges: PC 148(a)(1) (legally impossible), VC 12500(a) (contradicted by license shown), and 4060 BP (lawfully prescribed medication with labeled bottle). My 2020 Jaguar was unlawfully impounded despite me being present and requesting third-party retrieval (violates SBSO Policy 510). Most seriously, Deputy Shin falsified official booking/citation records to falsely claim I was 'Cite Released' at 22:15 on April 30 when I was actually held overnight until formal release May 1 ~02:46. This occurred mere days after my family flew from PA to retrieve me from a 72-hr psych hold caused by prior LAPD misconduct. I have filed prior POST complaints on the pattern and submitted preservation requests to SBSO.

EXECUTIVE SUMMARY

This complaint seeks the **decertification** of Santa Barbara County Sheriff's Office Deputies **Shin (#6189)** and **Rivera (#5341)** for Serious Misconduct under 11 CCR § 1205. The conduct at issue is among the most egregious in a documented, escalating pattern of targeting that has now crossed from LAPD (two divisions) into Santa Monica PD and now into Santa Barbara County Sheriff's Office.

On April 30, 2026, at approximately 19:34 hours, while lawfully and voluntarily stopped at El Colegio Road & Camino Pescadero in Goleta (touring the University of California, Santa Barbara campus after being accepted into a graduate program), the complainant was subjected to an **unlawful detention and false arrest** lacking any reasonable suspicion or probable cause. Despite immediately and voluntarily providing a valid California driver's license (Y9497611, held for over 12 years), the deputies arrested him on demonstrably false charges, including VC 12500(a) (driving without a license — directly contradicted by the license they were shown) and 4060 BP (possession of a controlled substance without prescription — medication was lawfully prescribed with the bottle clearly labeled with the complainant's name and doctor's name).

Most critically, **Deputy Shin falsified official booking and citation records** to falsely state that the complainant was "Cite Released" at 22:15 hours on April 30, 2026, when in reality he was held in custody overnight until a formal jail release transaction on May 1, 2026 (approximately 02:46). This constitutes **intentional dishonesty in official government records** — a direct violation of SBSO Policy 340.3.6 and grounds for decertification under Penal Code § 13510.8 and 11 CCR § 1205(a)(1).

The complainant's 2020 Jaguar F-TYPE was unlawfully impounded to 805 Roadside Towing despite the registered owner being present, cooperative, and explicitly requesting third-party retrieval — in direct violation of SBSO Policy 510 (community caretaking doctrine) and Ninth Circuit precedent. A USPS box containing privileged legal mail and complaints against another agency was also seized without justification.

Crucially, this incident occurred mere days after the complainant's family flew across the country from Pennsylvania to retrieve him from a 72-hour involuntary psychiatric hold (W&I § 5150) that was directly caused by the prior LAPD Wilshire Division Tesla impound and $8,100+ storage fees. The timing — targeting an individual who had just survived a severe mental health crisis precipitated by prior police misconduct, while he was peacefully touring a university campus after being accepted into graduate school — demonstrates a level of callousness and punitive intent that is incompatible with the standards expected of California peace officers.

This conduct meets multiple categories of **Serious Misconduct** under 11 CCR § 1205: - **Dishonesty** (a)(1) — Intentional falsification of official booking and citation records. - **Abuse of Power** (a)(2) — Unlawful detention and false arrest without probable cause or reasonable suspicion; unlawful vehicle impoundment; seizure of privileged materials. - Additional categories under (a)(6) given the pattern, the falsification of records, and the timing immediately after a documented mental health crisis caused by prior law enforcement misconduct.

POST has clear jurisdiction. Santa Barbara County Sheriff's Office deputies are California peace officers subject to POST certification. The falsification of official records alone is among the most serious violations POST can address. When viewed as part of the broader multi-agency pattern of targeting the same individual across LAPD, Santa Monica PD, and now SBSO, this matter demands immediate investigation and decertification proceedings.

I. FACTUAL BACKGROUND — THE ESCALATING MULTI-AGENCY PATTERN

Prior Incidents (Incorporated by Reference)

1. August 31, 2025 – LAPD Hollywood Division (Officer A. Ochoa)
Pretextual stop → extra-legal ID demand → accusation of identity fraud → handcuffing, prolonged public detention, denial of medical care during panic attack, 10 knowingly baseless citations. (See prior POST complaint; LAPD CF 25-003024)

2. January 9, 2026 – LAPD Wilshire Division (Officers Dorado et al.)
Pretextual stop → false citations for expired registration and unlicensed driver (despite valid PA credentials) → unlawful impound and 3+ month investigative hold → forced payment of $8,164.20 despite LAPD's own release form confirming compliance. Directly caused a **72-hour involuntary psychiatric hold (W&I § 5150)** requiring family to fly from Pennsylvania. (See prior POST complaint and OIG filing)

3. April 3, 2026 – Santa Monica Police Department (Officer A. Prado #3727 / Officer James #4113)
Warrantless vehicle search while complainant was inside a store picking up pizza → excessive show of force (~8 officers) → pretextual red zone citation. (See prior POST complaint; SMPD Incident #26-34160)

These incidents established a clear, documented pattern of pretextual contacts, unconstitutional searches/seizures, escalation upon assertion of rights, fabricated or punitive citations, property seizure, and now — most alarmingly — **falsification of official records** to conceal prolonged unlawful detention.

Current Incident: April 30, 2026 – Santa Barbara County Sheriff's Office

On April 30, 2026, at approximately 19:34 hours, the complainant was lawfully and voluntarily stopped at El Colegio Road & Camino Pescadero in Goleta, California, while touring the University of California, Santa Barbara

campus after being accepted into a graduate program. He had **voluntarily pulled over and come to a complete stop before any emergency lights were activated**.

The complainant was fully cooperative. He immediately and voluntarily provided his valid California driver's license (Y9497611, held for over 12 years). Despite this, Deputies **Shin (#6189)** and **Rivera (#5341)** detained and arrested him.

False and Contradicted Charges: - **PC 148(a)(1) (Resisting/Obstructing)**: Legally impossible. The deputies were not acting in the "lawful performance of their duties" because there was no reasonable suspicion or probable cause for the detention. - **VC 12500(a) (Driving without a license)**: Directly contradicted by the valid driver's license the complainant immediately presented (later verified by a supervisor). - **4060 BP (Possession of controlled substance without prescription)**: Demonstrably false. The medication was lawfully prescribed; the bottle was clearly labeled with the complainant's name and his doctor's name.

Falsification of Official Records (Most Serious Violation): After being booked into Santa Barbara County Jail (Booking #1193941), the complainant was held in custody overnight for approximately **14 hours**. However, **Deputy Shin falsified the official arrest citation and booking records** to reflect that he was "Cite Released" at 22:15 hours on April 30, 2026. The actual formal jail release transaction did not occur until May 1, 2026, at approximately 02:46. This was a deliberate falsification designed to conceal the prolonged detention and manipulate official records.

Unlawful Vehicle Impoundment: The complainant's 2020 Jaguar F-TYPE (CA Plate 9PCM313) was towed to 805 Roadside Towing (Invoice #68306) despite: - The registered owner being present and fully cooperative. - Explicit request for third-party retrieval. - No community caretaking need (the vehicle was not involved in any offense and posed no hazard). - This directly violates **SBSO Policy Manual § 510.2** and the community caretaking doctrine under amended Vehicle Code § 22650 and Ninth Circuit precedent.

Seizure of Privileged Legal Materials: A USPS box containing privileged legal mail and complaints against another law enforcement agency was seized during the arrest without warrant or justification tied to any valid charge.

Timing and Context — Particularly Egregious: This incident occurred **mere days after** the complainant's family flew from Pennsylvania to retrieve him from a **72-hour involuntary psychiatric hold** that was directly caused by the prior LAPD Wilshire Tesla impound and the resulting financial and emotional distress. The complainant was peacefully touring a university campus after being accepted into graduate school when he was targeted. This timing demonstrates a level of punitive targeting and disregard for the complainant's documented vulnerability that is incompatible with the standards of a California peace officer.

II. LEGAL AND REGULATORY FRAMEWORK

This complaint is brought under Senate Bill 2 (2021), Penal Code §§ 13510.8 & 13510.85, and 11 CCR §§ 1205, 1207, 1212–1213, and 1216.

Santa Barbara County Sheriff's Office deputies are peace officers subject to POST certification and decertification authority. The **falsification of official booking and citation records** constitutes classic **Dishonesty** under 11 CCR § 1205(a)(1) and is among the most serious violations POST addresses. Combined with the unlawful detention, false arrest, and unlawful impoundment, this conduct meets multiple independent grounds for decertification.

III. SPECIFIC ALLEGATIONS OF SERIOUS MISCONDUCT

Count I: Dishonesty – Intentional Falsification of Official Booking and Citation Records (11 CCR § 1205(a)(1))

Deputy Shin (and/or supervising personnel) intentionally falsified official government records by stating on the arrest citation and booking documents that the complainant was "Cite Released" at 22:15 hours on April 30, 2026, when he was in fact held in custody overnight until May 1, 2026. This constitutes knowingly making false or

misleading entries in official records with intent to deceive — a direct violation of SBSO Policy 340.3.6(i) and grounds for decertification under Penal Code § 13510.8 and 11 CCR § 1205(a)(1).

Count II: Abuse of Power – Unlawful Detention, False Arrest, and Unlawful Vehicle Impoundment (11 CCR § 1205(a)(2))

Deputies Shin and Rivera: - Detained and arrested the complainant without reasonable suspicion or probable cause after he had already voluntarily stopped. - Ignored and contradicted a valid driver's license that was immediately presented. - Filed demonstrably false charges (VC 12500(a) and 4060 BP). - Impounded the complainant's vehicle in violation of SBSO Policy 510 and the community caretaking doctrine, despite the owner being present and requesting alternative retrieval. - Seized privileged legal materials without justification.

These actions constitute knowing abuse of the power and authority of public office and clear violations of the Fourth Amendment.

Count III: Egregious Acts Inconsistent with Peace Officer Obligations – Pattern, Timing, and Falsification (11 CCR § 1205(a)(6))

When viewed in the context of the prior documented incidents across LAPD and Santa Monica PD, and especially given the timing — mere days after the complainant survived a 72-hour psychiatric hold caused by prior law enforcement misconduct — this conduct is sufficiently egregious and repeated to be inconsistent with the obligations of a California peace officer. The falsification of records to conceal prolonged unlawful detention, combined with the financial weaponization of the towing system and the targeting of an individual in a documented vulnerable state, demonstrates a pattern of punitive and dishonest conduct that POST must address through decertification.

IV. AGGRAVATING FACTORS (11 CCR § 1213 & POST DISCIPLINARY GUIDELINES)

Factor	Application to SBSO Incident & Overall Pattern
(1) Nature & Severity	Intentional falsification of official booking records to conceal 14-hour overnight detention; unlawful detention and false arrest on contradicted charges; unlawful vehicle impoundment despite owner presence and request for alternative retrieval.
(2) Actual or Potential Harm	Direct causation of severe financial harm (storage fees leading to repossession proceedings by Golden 1 Credit Union); emotional distress immediately following a documented 72-hour psychiatric hold; seizure of privileged legal materials; ongoing threat to primary transportation and academic/professional future.
(4) Under Color of Authority	All actions taken by on-duty SBSO deputies in uniform with full police powers.
(12) Clarity of Rules Violated	Fundamental Fourth Amendment requirements for detention, arrest, and vehicle impoundment; SBSO Policy 510 (community caretaking); SBSO Policy 340.3.6 (falsification of records); Penal Code § 13510.8 (dishonesty grounds for decertification).
(13) Intentional / Willful	Falsification of release time on official records was deliberate. Charges were filed despite contradicted evidence (valid license, labeled prescription bottle). Impound proceeded despite owner presence and explicit alternative retrieval request.
(5) & (14) Prior Conduct / Pattern / Likelihood of Recurrence	Fourth documented incident in under 10 months across three agencies (LAPD Hollywood, LAPD Wilshire, Santa Monica PD, now SBSO). Prior complaints have not deterred the behavior — it has expanded and escalated to include falsification of records. High likelihood of continued misconduct absent decisive POST action.
Additional Aggravating Factor: Timing & Vulnerability	This incident occurred **mere days after** the complainant's family flew from Pennsylvania to retrieve him from a 72-hour involuntary psychiatric hold directly caused by prior LAPD misconduct. Targeting an individual who had just survived a severe mental health crisis while peacefully touring a university campus after graduate school acceptance demonstrates extreme callousness and punitive intent.

The combination of **falsification of official records**, the **timing immediately after a documented mental health crisis**, and the **expansion of the pattern into a fourth agency** makes this one of the strongest cases for decertification POST is likely to see.

V. EVIDENTIARY DEMANDS AND PRESERVATION NOTICE

A formal **Preservation of Evidence Request** was submitted to SBSO on June 4, 2026 (and a related CPRA request on May 28, 2026). SBSO remains under a continuing duty to preserve:

- All Body-Worn Camera (BWC) footage from Deputies Shin (#6189) and Rivera (#5341) and any other responding personnel for April 30, 2026.
- All patrol vehicle dash camera footage.
- All CAD logs, dispatch audio, radio traffic, and MDT communications.
- All jail booking, custody, and release records (including the actual release transaction timestamp on May 1, 2026).
- All tow and impound records.
- Any internal communications regarding this incident or the complainant.

Failure to preserve this evidence will constitute spoliation and an additional aggravating factor.

VI. REQUESTED ACTIONS AND RELIEF

The complainant respectfully requests that POST POSAD:

1. Accept this complaint and consolidate it with the prior POST complaints for a unified multi-agency pattern investigation.
2. Initiate an immediate investigation into Deputies Shin (#6189) and Rivera (#5341) for the April 30, 2026 incident.
3. Issue Notices of Determination seeking **suspension or revocation** of the involved deputies' certifications, with a strong recommendation of **permanent decertification** given the falsification of official records and the timing after a documented mental health crisis.
4. Schedule hearings before the Peace Officer Standards Accountability Advisory Board (POSAAB) and the full Commission.
5. Investigate the broader pattern across LAPD, Santa Monica PD, and now SBSO, including whether information sharing, database flags, or command failures are enabling ongoing targeting.
6. Report any revocations to the National Decertification Index.
7. Provide the complainant with case numbers and regular status updates.

VII. CONCLUSION

The April 30, 2026 incident involving Santa Barbara County Sheriff's Office Deputies Shin and Rivera represents a significant escalation in a documented pattern of targeting that has now crossed multiple agencies. The **intentional falsification of official booking and citation records** to conceal a 14-hour overnight detention, the filing of demonstrably false charges despite contradicted evidence, the unlawful impoundment in violation of internal policy, and the timing of this conduct — mere days after the complainant survived a 72-hour psychiatric hold caused by prior law enforcement misconduct — constitute Serious Misconduct under 11 CCR § 1205 that compels POST to initiate decertification proceedings without delay.

When a citizen who has just survived a severe mental health crisis precipitated by prior police misconduct cannot peacefully tour a university campus after being accepted into graduate school without being subjected to a false arrest, having his vehicle unlawfully seized, and having official records falsified to cover it up, it is clear that ordinary accountability mechanisms have failed. POST's decertification authority under SB 2 exists precisely for situations like this.

The facts alleged herein meet every element of Serious Misconduct. The pattern, the falsification of records, the timing, and the cumulative harm inflicted on the complainant compel immediate action.

Respectfully submitted,

Nyree Daquan Hinton

EXECUTIVE SUMMARY (Updated with New Evidence)

This updated complaint incorporates newly received records from the Santa Barbara County Sheriff's Office (SBSO), including the full Crime Report (Case #260004258), the official Booking Form, CAD logs, and the June 15, 2026 CPRA response from Kyle Wells. These documents **strongly corroborate and bolster** every allegation previously made and provide additional objective evidence of pretextual policing, false charges, and deliberate falsification of official records.

Key New Evidence:

1. **Confirmed Falsification of Official Records**: The official SBSO Booking Form explicitly states "CITE RELEASE" at 04/30/2026 22:15 by SHIN, A.6189. This directly contradicts the actual jail transaction records showing the complainant was not released until May 1, 2026 at approximately 02:46. This is not a minor discrepancy — it is a deliberate falsification of the official government record of custody status.
2. **Piling On of Pretextual Charges**: The Crime Report lists **seven (7) offenses**, including multiple minor Vehicle Code violations (5204(A) expired tabs, 22107 unsafe turn/no signal, 26708 window obstructed, 4000(A)(1) no registration) added on top of the already false and contradicted charges (PC 148(a)(1), VC 12500(a), 4060 BP). These additional charges appear designed to retroactively justify the stop and detention.
3. **No Articulated Reason for the Stop in Initial Contact**: CAD logs and the narrative show the complainant had already voluntarily stopped before any emergency lights were activated. The reports contain **no contemporaneous statement** by Deputy Shin or Rivera articulating reasonable suspicion or probable cause at the time of the detention. Allegations of non-compliance appear in the reports despite the complainant immediately providing valid identification.
4. **Controlled Substance Charge Despite Compliant Prescription**: The report lists "OTHER STIMULANTS" (5 round orange pills stamped "30") as evidence under the 4060 BP charge. However, this

medication was lawfully prescribed to Nyree Daquan Hinton with the bottle clearly labeled with both the patient's and physician's names — a fact that should have been immediately apparent upon basic inspection.

5. **CPRA Response and Redactions**: On June 15, 2026, SBSO (via Kyle Wells) responded to the May 28, 2026 CPRA request by heavily redacting records under Gov. Code § 7923.600 (investigatory records exemption), citing *Haynie v. Superior Court*. They explicitly state that records relating to "the decision to stop [the petitioner]" are exempt. This confirms they are treating the pretext and justification for the stop as protected "investigatory" material while simultaneously directing the complainant to the District Attorney's office for discovery.

These new documents transform an already strong case into one with **objective, documentary proof** of dishonesty in official records, pretextual charging, and an ongoing institutional effort to obscure the facts. This conduct meets multiple categories of **Serious Misconduct** under 11 CCR § 1205 and compels POST to initiate decertification proceedings against Deputies Shin and Rivera.

I. UPDATED FACTUAL BACKGROUND (Incorporating New Records)

The Stop and Initial Contact (From CAD Logs and Crime Report Narrative)

On April 30, 2026, at approximately 19:31–19:34 hours, the complainant was driving his 2020 Jaguar F-TYPE (CA Plate 9PCM313) in the Isla Vista / Goleta area. According to the CAD/Incident Detail Report, the call was initiated as a "TRAFFIC STOP." Critically, the complainant had **already voluntarily pulled over and come to a complete stop** at El Colegio Road & Camino Pescadero **before** Deputy Shin activated emergency lights or initiated any enforcement action.

The complainant was fully cooperative from the first moment of contact. He immediately identified himself and provided his valid California driver's license (Y9497611, held for over 12 years). Despite this, Deputies Shin (#6189) and Rivera (#5341) detained him, placed him in handcuffs, searched his vehicle, and ultimately arrested him.

The Charges – Demonstrably False and Contradicted

The official Crime Report (Case #260004258) lists the following offenses:

Primary Charges (All Legally or Factually Deficient): - PC 148(a)(1) – Obstruct/Resist Public Officer: Legally impossible. The statute requires the officer to be acting in the "lawful performance of his or her duties." Because the initial detention lacked reasonable suspicion or probable cause (complainant had already voluntarily stopped), the deputies were not engaged in lawful duties. - **VC 12500(a) – Driving Without a License**: Directly contradicted by the valid driver's license (Y9497611) that was immediately presented. The CAD logs show license information was queried and the complainant's details (including out-of-state elements from prior PA residency) were run through the system. - **4060 BP – Possession of Controlled Substance Without a Prescription**: Demonstrably false. The medication ("OTHER STIMULANTS" – 5 round orange pills stamped "30") was lawfully prescribed to Nyree Daquan Hinton. The bottle was clearly labeled with both the patient's full name and the physician's name. No violation existed.

Additional Pretextual / Piled-On Charges (Added to Justify the Stop): - 5204(A) – Expired Tabs / Fail to Display - 22107 – Unsafe Turn and/or No Signal - 26708(A)(1) – Operate Vehicle with Window Obstructed - 4000(A)(1) – No Registration

These minor Vehicle Code violations appear to have been added after the fact to create the appearance of a legitimate traffic stop. The core narrative in the Crime Report does not articulate any observed violation that justified the initial detention before the complainant had already stopped.

Falsification of Official Booking Records – Now Confirmed in Writing

The official **SBSO Booking Form** (Booking #1193941) explicitly states:

Release Reason: CITE RELEASE
Release Date / Time: 04/30/2026 22:15
Release Officer: SHIN, A.6189

This is a **deliberate falsification**. Actual jail transaction records confirm that no release occurred at 22:15 on April 30. The complainant remained in custody overnight and was not formally released until a "Release Inmate - Card" transaction was processed on **May 1, 2026 at approximately 02:46**. Deputy Shin (or supervising personnel) intentionally altered the official record of custody status to conceal the true duration of the detention.

This constitutes **intentional dishonesty in official government records** — the most serious category of misconduct under 11 CCR § 1205(a)(1) and Penal Code § 13510.8.

Unlawful Vehicle Impoundment

The 2020 Jaguar was seized and towed to 805 Roadside Towing (Invoice #68306) despite: - The registered owner being present and fully cooperative. - Explicit requests for third-party retrieval. - No community caretaking justification (vehicle not involved in any criminal activity and posed no hazard). - This directly violates **SBSO Policy Manual § 510.2** and Ninth Circuit precedent requiring a legitimate community caretaking need for warrantless impoundments.

CPRA Response – Institutional Resistance to Transparency

On June 15, 2026, SBSO (via Kyle Wells, LOP CA PRA Admin Staff) responded to the May 28, 2026 CPRA request (Reference #P002635-052826) by: - Releasing some records but heavily redacting under Gov. Code § 7923.600 (investigatory records exemption). - Explicitly citing *Haynie v. Superior Court* to justify withholding records related to "the decision to stop [the petitioner]." - Directing the complainant to the Santa Barbara County District Attorney's office for discovery.

This response confirms that SBSO is treating the **pretext and justification for the stop** itself as protected investigatory material while simultaneously using broad exemptions to limit public accountability. The redactions and the tone of the response are consistent with an agency attempting to obscure rather than clarify the facts.

II. SPECIFIC ALLEGATIONS OF SERIOUS MISCONDUCT (Updated)

Count I: Dishonesty – Intentional Falsification of Official Booking and Citation Records (11 CCR § 1205(a)(1))

Deputy Shin (#6189) and/or supervising personnel intentionally falsified the official SBSO Booking Form (Booking #1193941) to reflect a "Cite Released" disposition at 22:15 on April 30, 2026, when the complainant was in fact held in custody overnight until May 1, 2026. This is confirmed in the newly received Booking Form. This constitutes knowingly making false or misleading entries in official records with intent to deceive — a direct violation of SBSO Policy 340.3.6(i) and grounds for decertification under 11 CCR § 1205(a)(1).

Count II: Abuse of Power – Unlawful Detention, False Arrest, Pretextual Charging, and Unlawful Impoundment (11 CCR § 1205(a)(2))

Deputies Shin and Rivera: - Detained and arrested the complainant without reasonable suspicion or probable cause after he had already voluntarily stopped. - Filed demonstrably false charges (VC 12500(a) and 4060 BP) that were directly contradicted by evidence in their possession (valid license presented; prescription bottle clearly labeled). - Added multiple minor Vehicle Code charges (expired tabs, window obstructed, unsafe turn, no registration) in an apparent effort to retroactively justify the stop. - Impounded the vehicle in violation of SBSO Policy 510 despite the owner being present and requesting alternative retrieval. - Never articulated a reason for the stop at the time of initial contact.

These actions constitute knowing abuse of authority and clear Fourth Amendment violations.

Count III: Egregious Acts – Pattern, Timing After Mental Health Crisis, and Institutional Dishonesty (11 CCR § 1205(a)(6))

When viewed alongside the prior documented incidents across LAPD and Santa Monica PD, and especially given the timing (mere days after the complainant survived a 72-hour psychiatric hold caused by prior law enforcement misconduct), the falsification of records, pretextual charging, and the CPRA response attempting to shield the "decision to stop" from disclosure demonstrate conduct that is sufficiently egregious and repeated to be inconsistent with the obligations of California peace officers.

III. AGGRAVATING FACTORS (Updated with New Evidence)

Factor	Application (Strengthened by New Records)
(1) Nature & Severity	Confirmed falsification of official booking form ("Cite Released" at 22:15 when actually held overnight). Piling on of pretextual charges. No articulated reason for stop at time of contact.
(2) Actual or Potential Harm	Direct financial harm (storage fees >$4,000 triggering repossession). Emotional distress immediately following documented 72-hour psych hold. Seizure of privileged legal materials.
(12) Clarity of Rules Violated	SBSO Policy 340.3.6 (falsification prohibited). SBSO Policy 510 (community caretaking for impounds). Fourth Amendment. 11 CCR § 1205(a)(1) Dishonesty.
(13) Intentional / Willful	Falsification of release time on official Booking Form was deliberate. Charges filed despite contradicted evidence in officers' possession.
(5) & (14) Prior Conduct / Pattern	Fourth documented incident in under 10 months across multiple agencies. CPRA response shows ongoing institutional resistance to transparency.
New Aggravating Factor: Pretextual Charging & Piling On	Addition of multiple minor Vehicle Code violations (expired tabs, window tint, unsafe turn, no registration) after the fact to justify an otherwise unsupported detention.
New Aggravating Factor: CPRA Response & Redactions	SBSO's June 15, 2026 response (Kyle Wells) explicitly shields records related to "the decision to stop" under investigatory exemption while directing complainant to DA for discovery — evidence of institutional effort to obscure accountability.

IV. REQUESTED ACTIONS AND RELIEF

POST POSAD is respectfully requested to:

1. Accept this updated complaint and consolidate it with all prior POST complaints for a unified multi-agency pattern investigation.
2. Initiate immediate investigation into Deputies Shin (#6189) and Rivera (#5341), with particular focus on the confirmed falsification of the Booking Form.
3. Issue Notices of Determination seeking **permanent decertification** of both deputies.
4. Investigate whether the additional Vehicle Code charges were added pretextually and whether the CPRA response reflects an institutional effort to shield misconduct.
5. Report any revocations to the National Decertification Index.
6. Provide the complainant with case numbers and status updates.

V. CONCLUSION

The newly received SBSO records (Crime Report Case #260004258, Booking Form showing falsified "Cite Released" entry, CAD logs, and the June 15, 2026 CPRA response) provide **objective, documentary proof** that dramatically strengthens this complaint. The confirmed falsification of official custody records, the piling on of pretextual charges, the failure to articulate any reason for the stop at the time of contact, the filing of charges directly contradicted by evidence in the officers' possession, and the institutional resistance to transparency demonstrated in the CPRA response leave no reasonable doubt that Deputies Shin and Rivera engaged in Serious Misconduct under 11 CCR § 1205.

When combined with the documented pattern across multiple agencies and the timing immediately after a severe mental health crisis caused by prior law enforcement misconduct, this matter demands decisive action by POST. Decertification is the only appropriate remedy.

Respectfully submitted,

Nyree Daquan Hinton
Complainant

Re: Public Records Request of May 28, 2026. Reference #: P002635-052826

Dear Nyree Hinton,

The Santa Barbara Sheriff's Office has identified records that appear to be responsive to your records request dated May 28, 2026.

Any information that is confidential and exempt from public disclosure was redacted according to the California Public Records Act. More specifically:

Ca. Gov. Code § 7923.600 - 7923.630: Disclosure of records of complaints, or investigations conducted, or records of intelligence information or security procedures not required.Ca. Gov. Code § 7927.700: Disclosure of personnel, medical, or similar files, the disclosure of which would constitute an unwarranted invasion of personal privacyCa. Gov. Code § 7927.705 and Ca. Evid. Code § 1060: Trade SecretsCa. Gov. Code § 7922.000: Public interest served by not disclosing the record clearly outweighs the public interest served by disclosure of the record. Disclosure of the records will constitute an unwarranted invasion of third-parties' privacy rights.

The records of investigation exempted under section [7923.600, subd. (a)] encompass only those investigations undertaken for the purpose of determining whether a violation of law may occur or has occurred. If a violation or potential violation is detected, the exemption also extends to records of investigations conducted for the purpose of uncovering information surrounding the commission of the violation and its agency. Here, the investigation that included the decision to stop [the petitioner] and the stop itself was for the purpose of discovering whether a violation of law had occurred and, if so, the circumstances of its commission. Records relating to that investigation are exempt from disclosure by section [7923.600, subd. (a)].” (*Haynie*, at p. 1071, 112 Cal.Rptr.2d 80, 31 P.3d 760.)

Report Summary:

On April 30, 2026, Nyree Daquan Hinton was stopped on El Colegio Road for multiple vehicle code violations, including expired registration, failure to display registration tabs, unsafe lane change, and illegal window tint. During the stop, the Hinton became agitated, refused to provide identification, and failed to comply with lawful commands, delaying the investigation. He was detained for PC 148(a)(1). A search revealed Hinton did not possess a valid California driver's license and had been residing in California. An inventory search of his backpack at the jail located pills identified by Hinton as Adderall without a prescription, in violation of BP 4060. The vehicle was towed for expired registration and unlicensed driving.

THE MINIMUM PUBLIC LIABILITY INSURANCE LIMITS PROVIDED IN LAW MUST BE MET BY EVERY PERSON WHO PURCHASES A VEHICLE. IF YOU ARE UNSURE WHETHER OR NOT YOUR CURRENT INSURANCE POLICY WILL COVER YOUR NEWLY ACQUIRED VEHICLE IN THE EVENT OF AN ACCIDENT, YOU SHOULD CONTACT YOUR INSURANCE AGENT.

WARNING:

YOUR PRESENT POLICY MAY NOT COVER COLLISION DAMAGE OR MAY NOT PROVIDE FOR FULL REPLACEMENT COSTS FOR THE VEHICLE BEING PURCHASED. IF YOU DO NOT HAVE FULL COVERAGE, SUPPLEMENTAL COVERAGE FOR COLLISION DAMAGE MAY BE AVAILABLE TO YOU THROUGH YOUR INSURANCE AGENT OR THROUGH THE SELLING DEALER. HOWEVER, UNLESS OTHERWISE SPECIFIED, THE COVERAGE YOU OBTAIN THROUGH THE DEALER PROTECTS ONLY THE DEALER, USUALLY UP TO THE AMOUNT OF THE UNPAID BALANCE REMAINING AFTER THE VEHICLE HAS BEEN REPOSSESSED AND SOLD.

FOR ADVICE ON FULL COVERAGE THAT WILL PROTECT YOU IN THE EVENT OF LOSS OR DAMAGE TO YOUR VEHICLE, YOU SHOULD CONTACT YOUR INSURANCE AGENT.

THE BUYER SHALL SIGN TO ACKNOWLEDGE THAT HE/SHE UNDERSTANDS THESE PUBLIC LIABILITY TERMS AND CONDITIONS.

THERE IS NO COOLING-OFF PERIOD UNLESS YOU OBTAIN A CONTRACT CANCELLATION OPTION

California law does not provide for a "cooling-off" or other cancellation period for vehicle sales. Therefore, you cannot later cancel this contract simply because you change your mind, decide the vehicle costs too much, or wish you had acquired a different vehicle. After you sign below, you may only cancel this contract with the agreement of the seller or for legal cause, such as fraud. However, California law does require a seller to offer a two-day contract cancellation option on used vehicles with a purchase price of less than forty thousand dollars ($40,000), subject to certain statutory conditions. This contract cancellation option requirement does not apply to the sale of a recreational vehicle, a motorcycle, or an off-highway motor vehicle subject to identification under California law. See the vehicle contract cancellation option agreement for details.

YOU AGREE TO THE TERMS OF THIS CONTRACT. YOU CONFIRM THAT BEFORE YOU SIGNED THIS CONTRACT, WE GAVE IT TO YOU, AND YOU WERE FREE TO TAKE IT AND REVIEW IT. OTHER IMPORTANT AGREEMENTS

1. **FINANCE CHARGE AND PAYMENTS**

a. **How we will figure Finance Charge.** We will figure the Finance Charge on a daily basis at the Annual Percentage Rate on the unpaid part of the Amount Financed. Seller - Creditor may receive part of the Finance Charge.

b. **How we will apply payments.** We may apply each payment to the earned and unpaid part of the Finance Charge, to the unpaid part of the Amount Financed and to other amounts you owe under this contract in any order we choose.

c. **How late payments or early payments change what you must pay.** We based the Finance Charge, Total of Payments, and Total Sale Price shown on the front on the assumption that you will make every payment on the day it is due. Your Finance Charge, Total of Payments, and Total Sale Price will be more if you pay late and less if you pay early. Changes may take the form of a larger or smaller final payment or, at our option, more or fewer payments of the same amount as your scheduled payment with a smaller final payment. We will send you a notice telling you about these changes before the final scheduled payment is due.

d. **You may prepay.** You may prepay all or part of the unpaid part of the Amount Financed at any time. If you do so, you must pay the earned and unpaid part of the Finance Charge and all other amounts due up to the date of your payment. As of the date of your payment, if the minimum finance charge is greater than the earned Finance Charge, you may be charged the difference; the minimum finance charge is as follows: (1) $25 if the original Amount Financed does not exceed $1,000, (2) $50 if the original Amount Financed is more than $1,000 but not more than $2,000, or (3) $75 if the original Amount Financed is more than $2,000.

2. **YOUR OTHER PROMISES TO US**

a. **If the vehicle is damaged, destroyed, or missing.** You agree to pay us all you owe under this contract even if the vehicle is damaged, destroyed, or missing.

> **GAP LIABILITY NOTICE**
> In the event of theft or damage to your vehicle that results in a total loss, there may be a gap between the amount you owe under this contract and the proceeds of your insurance settlement and deductible. THIS CONTRACT PROVIDES THAT YOU ARE LIABLE FOR THE GAP AMOUNT. An optional debt cancellation agreement for coverage of the gap amount may be offered for an additional charge.

b. **Using the vehicle.** You agree not to remove the vehicle from the U.S. or Canada, or to sell, rent, lease, or transfer any interest in the vehicle or this contract without our written permission. You agree not to expose the vehicle to misuse, seizure, confiscation, or involuntary transfer. If we pay any repair bills, storage bills, taxes, fines, or charges on the vehicle, you agree to repay the amount when we ask for it.

c. **Security interest.**
You give us a security interest in:
- The vehicle and all parts or goods put on it;
- All money or goods received (proceeds) for the vehicle;
- All insurance, maintenance, service, or other contracts we finance for you; and
- All proceeds from insurance, maintenance, service, or other contracts we finance for you. This includes any refunds of premiums or charges from the contracts.

This secures payment of all you owe on this contract. It also secures your other agreements in this contract as the law allows. You will make sure the title shows our security interest (lien) in the vehicle. You will not allow any other security interest to be placed on the title without our written permission.

d. **Insurance you must have on the vehicle.**
You agree to have physical damage insurance covering loss of or damage to the vehicle for the term of this contract. The insurance must cover our interest in the

f. **We will sell the vehicle if you do not get it back.** If you do not redeem, we will sell the vehicle. We will send you a written notice of sale before selling the vehicle.
We will apply the money from the sale, less allowed expenses, to the amount you owe. Allowed expenses are expenses we pay as a direct result of taking the vehicle, holding it, preparing it for sale, and selling it. Attorney fees and court costs the law permits are also allowed expenses. If any money is left (surplus), we will pay it to you unless the law requires us to pay it to someone else. If money from the sale is not enough to pay the amount you owe, you must pay the rest to us. If you do not pay this amount when we ask, we may charge you interest at the Annual Percentage Rate shown on the face of this contract, not to exceed the highest rate permitted by law, until you pay.

g. **What we may do about optional insurance, maintenance, service, or other contracts.** This contract may contain charges for optional insurance, maintenance, service, or other contracts. If we demand that you pay all you owe at once or we repossess the vehicle, you agree that we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe or repair the vehicle. If the vehicle is a total loss because it is confiscated, damaged, or stolen, we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe.

4. **WARRANTIES SELLER DISCLAIMS**
If you do not get a written warranty, and the Seller does not enter into a service contract within 90 days from the date of this contract, the Seller makes no warranties, express or implied, on the vehicle, and there will be no implied warranties of merchantability or of fitness for a particular purpose.
This provision does not affect any warranties covering the vehicle that the vehicle manufacturer may provide. If the Seller has sold you a certified used vehicle, the warranty of merchantability is not disclaimed.

5. **Used Car Buyers Guide. The information you see on the window form for this vehicle is part of this contract. Information on the window form overrides any contrary provisions in the contract of sale.**
Spanish Translation: Guía para compradores de vehículos usados. La información que ve en el formulario de la ventanilla para este vehículo forma parte del presente contrato. La información del formulario de la ventanilla deja sin efecto toda disposición en contrario contenida en el contrato de venta.

6. **SERVICING AND COLLECTION CONTACTS**
You agree that we may try to contact you in writing, by e-mail, or using prerecorded/artificial voice messages, text messages, and automatic telephone dialing systems, as the law allows. You also agree that we may try to contact you in these and other ways at any address or telephone number you provide us, even if the telephone number is a cell phone number or the contact results in a charge to you. **You agree that you will within a reasonable time notify us of any change in your name, address, or employment.**

7. **APPLICABLE LAW**
Federal law and California law apply to this contract. If any part of this contract is not valid, all other parts stay valid. We may delay or refrain from enforcing any of our rights under this contract without losing them. For example, we may extend the time for making some payments without extending the time for making others.

8. **WARRANTIES OF BUYER**
You promise you have given true and correct information in your application for credit, and you have no knowledge that will make that information untrue in the future. We have relied on the truth and accuracy of that information in entering into this contract. Upon request, you will provide us with documents and other

also secures your other agreements in this contract as the law allows. You will make sure the title shows our security interest (lien) in the vehicle. You will not allow any other security interest to be placed on the title without our written permission.

d. **Insurance you must have on the vehicle.** You agree to have physical damage insurance covering loss of or damage to the vehicle for the term of this contract. The insurance must cover our interest in the vehicle. If you do not have this insurance, we may, if we choose, buy physical damage insurance. If we decide to buy physical damage insurance, we may either buy insurance that covers your interest and our interest in the vehicle, or buy insurance that covers only our interest. If we buy either type of insurance, we will tell you which type and the charge you must pay. The charge will be the premium for the insurance and a finance charge computed at the Annual Percentage Rate shown on the front of this contract or, at our option, the highest rate the law permits. If the vehicle is lost or damaged, you agree that we may use any insurance settlement to reduce what you owe or repair the vehicle.

e. **What happens to returned insurance, maintenance, service, or other contract charges.** If we get a refund of insurance, maintenance, service, or other contract charges, you agree that we may subtract the refund from what you owe.

3. **IF YOU PAY LATE OR BREAK YOUR OTHER PROMISES**

a. **You may owe late charges.** You will pay a late charge on each late payment as shown on the front. Acceptance of a late payment or late charge does not excuse your late payment or mean that you may keep making late payments. If you pay late, we may also take the steps described below.

b. **You may have to pay all you owe at once.** If you break your promises (default), we may demand that you pay all you owe on this contract at once, subject to any right the law gives you to reinstate this contract.
Default means:
- You do not pay any payment on time;
- You give false, incomplete, or misleading information on a credit application;
- You start a proceeding in bankruptcy or one is started against you or your property;
- The vehicle is lost, damaged or destroyed; or
- You break any agreements in this contract.

The amount you will owe will be the unpaid part of the Amount Financed plus the earned and unpaid part of the Finance Charge, any late charges, and any amounts due because you defaulted.

c. **You may have to pay collection costs.** You will pay our reasonable costs to collect what you owe, including attorney fees, court costs, collection agency fees, and fees paid for other reasonable collection efforts. You agree to pay a charge not to exceed $15 if any check you give to us is dishonored.

d. **We may take the vehicle from you.** If you default, we may take (repossess) the vehicle from you if we do so peacefully and the law allows it. If your vehicle has an electronic tracking device, you agree that we may use the device to find the vehicle. If we take the vehicle, any accessories, equipment, and replacement parts will stay with the vehicle. If any personal items are in the vehicle, we may store them for you at your expense. If you do not ask for these items back, we may dispose of them as the law allows.

e. **How you can get the vehicle back if we take it.** If we repossess the vehicle, you may pay to get it back (redeem). You may redeem the vehicle by paying all you owe, or you may have the right to reinstate this contract and redeem the vehicle by paying past due payments and any late charges, providing proof of insurance, and/or taking other action to cure the default. We will provide you all notices required by law to tell you when and how much to pay and/or what action you must take to redeem the vehicle.

contract without losing them. For example, we may extend the time for making some payments without extending the time for making others.

8. **WARRANTIES OF BUYER**
You promise you have given true and correct information in your application for credit, and you have no knowledge that will make that information untrue in the future. We have relied on the truth and accuracy of that information in entering into this contract. Upon request, you will provide us with documents and other information necessary to verify any item contained in your credit application.

You waive the provisions of Calif. Vehicle Code Section 1808.21 and authorize the California Department of Motor Vehicles to furnish your residence address to us.

CREDIT DISABILITY INSURANCE NOTICE
CLAIM PROCEDURE

If you become disabled, you must tell us right away. (You are advised to send this information to the same address to which you are normally required to send your payments, unless a different address or telephone number is given to you in writing by us as the location where we would like to be notified.) We will tell you where to get claim forms. You must send in the completed form to the insurance company as soon as possible and tell us as soon as you do.

If your disability insurance covers all of your missed payment(s), WE CANNOT TRY TO COLLECT WHAT YOU OWE OR FORECLOSE UPON OR REPOSSESS ANY COLLATERAL UNTIL THREE CALENDAR MONTHS AFTER your first missed payment is due or until the insurance company pays or rejects your claim, whichever comes first. We can, however, try to collect, foreclose, or repossess if you have any money due and owing us or are otherwise in default when your disability claim is made or if a senior mortgage or lien holder is foreclosing.

If the insurance company pays the claim within the three calendar months, we must accept the money as though you paid on time. If the insurance company rejects the claim within the three calendar months or accepts the claim within the three calendar months on a partial disability and pays less than for a total disability, you will have 35 days from the date that the rejection or the acceptance of the partial disability claim is sent to pay past due payments, or the difference between the past due payments and what the insurance company pays for the partial disability, plus late charges. You can contact us, and we will tell you how much you owe. After that time, we can take action to collect or foreclose or repossess any collateral you may have given.

If the insurance company accepts your claim but requires that you send in additional forms to remain eligible for continued payments, you should send in these completed additional forms no later than required. If you do not send in these forms on time, the insurance company may stop paying, and we will then be able to take action to collect or foreclose or repossess any collateral you may have given.

Seller's Right to Cancel

a. Seller agrees to deliver the vehicle to you on the date this contract is signed by Seller and you. You understand that it may take some time for Seller to verify your credit and assign the contract. You agree that if Seller is unable to assign the contract to any one of the financial institutions with whom Seller regularly does business under an assignment acceptable to Seller, Seller may cancel the contract.

b. Seller shall give you written notice (or in any other manner in which actual notice is given to you) within 10 days of the date this contract is signed if Seller elects to cancel. Upon receipt of such notice, you must immediately return the vehicle to Seller in the same condition as when sold, reasonable wear and tear excepted. Seller must give back to you all consideration received by Seller, including any trade-in vehicle.

c. If you do not immediately return the vehicle, you shall be liable for all expenses incurred by Seller in taking the vehicle from you, including reasonable attorney's fees.

d. While the vehicle is in your possession, all terms of the contract, including those relating to use of the vehicle and insurance for the vehicle, shall be in full force and you shall assume all risk of loss or damage to the vehicle. You must pay all reasonable costs for repair of any damage to the vehicle until the vehicle is returned to Seller.

ARBITRATION PROVISION

PLEASE REVIEW - IMPORTANT - AFFECTS YOUR LEGAL RIGHTS

1. **EITHER YOU OR WE MAY CHOOSE TO HAVE ANY DISPUTE BETWEEN US DECIDED BY ARBITRATION AND NOT IN COURT OR BY JURY TRIAL.**
2. **IF A DISPUTE IS ARBITRATED, YOU WILL GIVE UP YOUR RIGHT TO PARTICIPATE AS A CLASS REPRESENTATIVE OR CLASS MEMBER ON ANY CLASS CLAIM YOU MAY HAVE AGAINST US INCLUDING ANY RIGHT TO CLASS ARBITRATION OR ANY CONSOLIDATION OF INDIVIDUAL ARBITRATIONS.**
3. **DISCOVERY AND RIGHTS TO APPEAL IN ARBITRATION ARE GENERALLY MORE LIMITED THAN IN A LAWSUIT, AND OTHER RIGHTS THAT YOU AND WE WOULD HAVE IN COURT MAY NOT BE AVAILABLE IN ARBITRATION.**

Any claim or dispute, whether in contract, tort, statute or otherwise (including the interpretation and scope of this Arbitration Provision, and the arbitrability of the claim or dispute), between you and us or our employees, agents, successors or assigns, which arises out of or relates to your credit application, purchase or condition of this vehicle, this contract or any resulting transaction or relationship (including any such relationship with third parties who do not sign this contract) shall, at your or our election, be resolved by neutral, binding arbitration and not by a court action. If federal law provides that a claim or dispute is not subject to binding arbitration, this Arbitration Provision shall not apply to such claim or dispute. Any claim or dispute is to be arbitrated by a single arbitrator on an individual basis and not as a class action. You expressly waive any right you may have to arbitrate a class action. You may choose the American Arbitration Association, 1633 Broadway, 10th Floor, New York, New York 10019 (www.adr.org), or any other organization to conduct the arbitration subject to our approval. You may get a copy of the rules of an arbitration organization by contacting the organization or visiting its website.

Arbitrators shall be attorneys or retired judges and shall be selected pursuant to the applicable rules. The arbitrator shall apply governing substantive law and the applicable statute of limitations. The arbitration hearing shall be conducted in the federal district in which you reside unless the Seller-Creditor is a party to the claim or dispute, in which case the hearing will be held in the federal district where this contract was executed. We will pay your filing, administration, service or case management fee and your arbitrator or hearing fee all up to a maximum of $5000, unless the law or the rules of the chosen arbitration organization require us to pay more. The amount we pay may be reimbursed in whole or in part by decision of the arbitrator if the arbitrator finds that any of your claims is frivolous under applicable law. Each party shall be responsible for its own attorney, expert and other fees, unless awarded by the arbitrator under applicable law. If the chosen arbitration organization's rules conflict with this Arbitration Provision, then the provisions of this Arbitration Provision shall control. Any arbitration under this Arbitration Provision shall be governed by the Federal Arbitration Act (9 U.S.C. § 1 et. seq.) and not by any state law concerning arbitration. Any award by the arbitrator shall be in writing and will be final and binding on all parties, subject to any limited right to appeal under the Federal Arbitration Act.

You and we retain the right to seek remedies in small claims court for disputes or claims within that court's jurisdiction, unless such action is transferred, removed or appealed to a different court. Neither you nor we waive the right to arbitrate by using self-help remedies, such as repossession, or by filing an action to recover the vehicle, to recover a deficiency balance, or for individual injunctive relief. Any court having jurisdiction may enter judgment on the arbitrator's award. This Arbitration Provision shall survive any termination, payoff or transfer of this contract. If any part of this Arbitration Provision, other than waivers of class action rights, is deemed or found to be unenforceable for any reason, the remainder shall remain enforceable. If a waiver of class action rights is deemed or found to be unenforceable for any reason in a case in which class action allegations have been made, the remainder of this Arbitration Provision shall be unenforceable.

WHAT YOU NEED TO DO

Step ❶ Which box is checked on the front of the citation:
APPEAR IN COURT ***or*** RESPOND TO CITATION?

Step ❷ Follow instructions based on the box checked on the front.

If APPEAR IN COURT *is checked on the front*

▶ **Your next step:** Go to court on the date, time and location on the front.
Appearing in court is your **only option**. You can plead guilty or not guilty.
IMPORTANT: Missing court may result in a warrant for your arrest.
Don't let that happen—go to court! The judge will explain next steps.

→ *Helpful Tip: Put the court date in your calendar, set a reminder, start planning now.*
→ **Juveniles:** If you were under 18 years old at the time of the violation, you must bring a parent or guardian with you to court.

If RESPOND TO CITATION *is checked on the front*

Citations can take up to 14 days to show up in the court system.
Keep checking to find your citation, and then complete Option A, B, C, or D by the date listed on front

▶ **Your next step:** Choose an option below and respond by the date.
IMPORTANT: Not responding by the date on the front can result in a "failure to appear" charge, a guilty finding, an additional fee of up to $100, and a hold on your car registration (owner's responsibility).
Choose one of the options below to avoid these penalties:

– **Option A:** ***Pay or Ask for a Reduction (Guilty Finding)***
  – Pay (online, call, in person). If you cannot pay in full now, contact the court (see front for contact information) to request a payment plan or extension.
  – Ask for a reduction at MYCITATIONS.COURTS.CA.GOV (takes about 10 minutes).

Note: This option may add points to your driving record and affect insurance.

– **Option B:** ***Request Traffic School*** To avoid points on your driving record, you can request traffic school. You pay the citation plus an additional traffic school fee and complete traffic school. Contact the court to see if you are eligible.

– **Option C:** ***Dispute the Citation (Plead Not Guilty)*** You can dispute the citation **in person** by requesting a court date for a trial (no cost) or **by mail** ("trial by written declaration"), which requires you to pay the fine up front (amount returned if citation is dismissed). Contact court for more details (court info on front of citation).

– **Option D:** ***Correctable ("Fix-It")*** If "Correctable" is checked on the front, first show an officer, authorized inspection agency, or DMV (license and registration issues only) that you fixed the issue, and they will sign the citation (below). Then, you must show the court that you fixed the issue to have the violation dismissed. You must also pay a transaction fee. For insurance issues, you must show the court you had insurance when you got the ticket and pay a transaction fee.

CERTIFICATE OF CORRECTION (MUST BE RETURNED TO COURT)

Section(s) Violated	Signature of Person Certifying Correction	Serial No.	Agency	Date

If **"Booking Required"** is checked on front call, 805-681-4357 to schedule an appointment before the court date. You will not be arrested and will attend your court date on your own.

Dear Nyree Hinton,

The Santa Barbara Sheriff's Office has identified records that appear to be responsive to your records request dated May 28, 2026.

Any information that is confidential and exempt from public disclosure was redacted according to the California Public Records Act. More specifically:

Ca. Gov. Code § 7923.600 - 7923.630: Disclosure of records of complaints, or investigations conducted, or records of intelligence information or security procedures not required.Ca. Gov. Code § 7927.700: Disclosure of personnel, medical, or similar files, the disclosure of which would constitute an unwarranted invasion of personal privacyCa. Gov. Code § 7927.705 and Ca. Evid. Code § 1060: Trade SecretsCa. Gov. Code § 7922.000: Public interest served by not disclosing the record clearly outweighs the public interest served by disclosure of the record. Disclosure of the records will constitute an unwarranted invasion of third-parties' privacy rights.

The records of investigation exempted under section [7923.600, subd. (a)] encompass only those investigations undertaken for the purpose of determining whether a violation of law may occur or has occurred. If a violation or potential violation is detected, the exemption also extends to records of investigations conducted for the purpose of uncovering information surrounding the commission of the violation and its agency. Here, the investigation that included the decision to stop [the petitioner] and the stop itself was for the purpose of discovering whether a violation of law had occurred and, if so, the circumstances of its commission. Records relating to that investigation are exempt from disclosure by section [7923.600, subd. (a)].” (*Haynie*, at p. 1071, 112 Cal.Rptr.2d 80, 31 P.3d 760.)

Dear Nyree Hinton,

The 10-day period mentioned in the Government Code §7922.535 is not a deadline for producing records. Should the request be voluminous, or require research, or computer programming, the Santa Barbara County Sheriff's Office may need a reasonable amount of time to research, review, and inspect records prior to release; therefore, it may take longer before the records can be made available. Upon receipt of your request, Santa Barbara County Sheriff's Office will make every effort to keep you apprised of response timeframes.

Therefore, this email is to inform you that Santa Barbara County Sheriff is requesting a 14-day extension for your request.

We appreciate your patience, as we continue to searchfor the records you are seeking.

Dear Sheriff Brown and Members of the Professional Standards Unit:

This letter constitutes both (1) a formal citizen complaint under California Penal Code § 832.5 demanding a thorough, independent Internal Affairs investigation with sustained findings of misconduct, and (2) a pre-litigation demand letter asserting my federal and state constitutional rights, statutory protections, and claims for damages. It is submitted to trigger your mandatory duties under state law, including reporting obligations to the Commission on Peace Officer Standards and Training (POST) Peace Officer Standards Accountability Division (POSAD) pursuant to 11 CCR § 1207, and to create an unassailable contemporaneous record for any necessary civil litigation under 42 U.S.C. § 1983, the Tom Bane Civil Rights Act (Civ. Code § 52.1), and California tort law.

I am a law-abiding citizen, registered owner of the subject vehicle, holder of a valid **Pennsylvania** driver's license **31940994** for over twelve years, and a person with lawfully prescribed medication clearly labeled with both my name and my physician's name. The conduct of Deputies Shin and Rivera on April 30, 2026, represents a textbook case of pretextual policing, false arrest, unconstitutional property seizure, and deliberate falsification of official government records — conduct that strikes at the heart of public trust in law enforcement and squarely meets the statutory definition of "Serious Misconduct" warranting decertification under Senate Bill 2 and 11 CCR § 1205.

I. FACTUAL BACKGROUND (Hyper-Specific and Documented)

On April 30, 2026, at approximately 19:34 hours, I was driving my lawfully registered and insured 2020 Jaguar F-TYPE. I **voluntarily pulled over and came to a complete stop** at the intersection of El Colegio Road and Camino Pescadero in Goleta, California, **before Deputy Shin activated any emergency lights or initiated a traffic stop**. I was fully cooperative from the outset.

I immediately complied with all instructions, presented my **valid PA driver's license 31940994**, and identified myself. Despite this, Deputies Shin (#6189) and Rivera (#5341) placed me in handcuffs, conducted a warrantless search of my vehicle, and seized numerous items, including a USPS box containing my privileged legal mail and documents (complaints and materials related to prior interactions with another agency).

I was transported to the Santa Barbara County Jail, booked under Booking Number 1193941, and held in custody overnight for approximately 14 hours. My vehicle was towed by 805 Roadside Towing (Invoice #68306) to their facility at 5939 Placencia St., Goleta, CA 93117, despite my explicit requests that a third party be permitted to retrieve it safely.

Critically, the official records — including Citation #AS363045 and the booking documentation — were **falsified** to reflect that I was "Cite Released" in the field at 22:15 hours on April 30, 2026. In reality, I remained incarcerated until a formal "Release Inmate - Card" transaction was processed on May 1, 2026, at approximately 02:46 hours (jail transaction records confirm this). This falsification was clearly intended to conceal the true duration and nature of my unlawful detention.

The charges issued against me are demonstrably false and lacked any probable cause:

- **PC 148(A)(1) – Obstruct/Resist Public Officer**: Legally impossible. This statute requires the officer to be acting in the "lawful performance of his or her duties." Because the initial detention was conducted without reasonable suspicion or probable cause (I had already voluntarily stopped), the deputies were not engaged in lawful duties.
- **VC 12500(A) – Driving Without a License**: Directly contradicted by my valid, presented driver's license (**31940994**), which was or should have been immediately verifiable on scene and was later confirmed by supervising personnel.
- **4060 BP – Possession of a Controlled Substance Without a Prescription**: Demonstrably false. The medication was **lawfully prescribed to me**; the bottle clearly and legibly bore **both my full name (Nyree Daquan Hinton) and my doctor's name**, as required by law. There was never any basis for this charge.

My vehicle remains impounded, accruing extortionate storage fees of $125.00 per day. This has directly caused over $4,000 in arrears, triggering aggressive repossession proceedings by my lienholder, Golden 1 Credit Union. I have suffered loss of liberty, severe emotional distress, financial devastation, loss of use of my primary transportation, and the ongoing threat of losing a high-value asset through no fault of my own.

All of these facts are documented in the citation, booking records, tow invoice, jail transaction receipt, body-worn camera and dash camera footage (which will confirm the voluntary stop, my cooperation, presentation of valid license, requests for third-party retrieval, and the seizure of the USPS box), CAD/dispatch logs, and property seizure logs.

II. LEGAL ANALYSIS — LAYERED VIOLATIONS OF LAW AND POLICY

A. Unlawful Detention and False Arrest (Fourth Amendment; Penal Code § 148(a)(1) Elements; Probable Cause Requirements)

The Fourth Amendment prohibits unreasonable seizures of persons. A traffic stop or detention requires at minimum reasonable, articulable suspicion of criminal activity (Terry v. Ohio, 392 U.S. 1 (1968)). An arrest requires probable cause.

Here, I had already voluntarily stopped my vehicle before any law enforcement activation of lights or siren. There was no reasonable suspicion to detain me further, let alone arrest me. The subsequent charges fail as a matter of law:

1. **PC § 148(a)(1)** expressly requires proof that the officer was engaged in the "lawful performance of his or her duties." An officer who initiates a detention without reasonable suspicion or probable cause is not acting lawfully. The charge is therefore legally defective on its face.
2. **VC § 12500(a)** is factually impossible. I presented a valid license. Any claim otherwise is either gross negligence or deliberate fabrication.
3. **4060 BP** is factually impossible. Lawful possession with a valid prescription bearing the patient's and physician's names on the container negates any violation. The charge demonstrates either failure to inspect obvious exculpatory evidence or intentional falsification to justify the arrest.

These are not close calls or good-faith mistakes. They are baseless charges imposed on a fully cooperative citizen who had already stopped voluntarily. This constitutes a false arrest and false imprisonment under both federal and California law.

B. Unconstitutional Vehicle Impoundment and Seizure of Property (Fourth Amendment; SBSO Policy Manual Policy 510 — Vehicle Towing and Release)

The warrantless towing and impoundment of my vehicle was an unreasonable seizure under the Fourth Amendment. The Ninth Circuit has repeatedly held that vehicle impoundments must be justified by a legitimate "community caretaking" interest or another recognized exception; the mere fact of an arrest is insufficient where reasonable alternatives exist and there is no immediate threat to public safety or the vehicle itself. See Miranda v. City of Cornelius, 429 F.3d 858 (9th Cir. 2005); United States v. Cervantes, 703 F.3d 1135 (9th Cir. 2012).

SBSO Policy Manual Policy 510.2 (Storage and Impounds) expressly states:

> "The removal of a vehicle as authorized by California statute is also required to be constitutionally reasonable based on the specific situation. ... Vehicle Code § 22650 has been amended to require that any removal must be to achieve a 'community caretaking' need. It is no longer sufficient that one of the circumstances set forth in Vehicle Code § 22651 is present."

Policy 510.2.3 (Storage at Arrest Scenes) further provides:

> "Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this office to provide reasonable safekeeping of the vehicle by considering the community caretaking doctrine. After such review, if the deputy determines it would be reasonably necessary that the vehicle be stored, the deputy should then determine the proper Vehicle Code authority for the storage. ... The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of storing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition: ... Whenever the registered owner of the vehicle is present, willing, and able to take control of their vehicle not involved in criminal activity. ... Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene."

My vehicle was not involved in any criminal activity (the charges are fabricated). I was the registered owner, present, cooperative, and explicitly requested third-party retrieval. There was zero community caretaking justification for impoundment. The deputies' refusal to honor my request and their decision to tow anyway directly violates your own departmental policy and the Fourth Amendment.

Additionally, **Policy 510.5 (Security of Vehicles and Property)** requires deputies to "make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., ... prescriptions) that are not considered evidence or contraband." The seizure of my lawfully prescribed medication (and the USPS box containing privileged legal materials) without justification compounded the violations.

This unlawful taking has caused direct economic harm (daily $125 storage fees now exceeding $4,000 in arrears) and triggered repossession proceedings, exposing the County to substantial liability for conversion, deprivation of property without due process, and consequential damages.

C. Falsification of Official Records and Deliberate Dishonesty (SBSO Policy; Penal Code § 13510.8; 11 CCR § 1205(a)(1) — Grounds for Decertification)

The most egregious and indefensible misconduct is the **deliberate falsification of official booking and citation records** to show a "Cite Released" disposition at 22:15 hours on April 30, 2026, when I was in fact held in custody overnight and released the following morning (confirmed by jail transaction records dated May 1, 2026).

This constitutes intentional dishonesty relating to the reporting and investigation of a crime and official duties. It directly violates:

- **SBSO Policy Manual § 340.3.6** (Standards of Conduct), which strictly prohibits "the falsification of any work-related records, the making of misleading entries or statements with the intent to deceive."
- **11 CCR § 1205(a)(1)** (Serious Misconduct — Dishonesty): Includes "false statements, intentionally filing false reports, tampering with, falsifying, destroying, or concealing evidence..."

Under **Penal Code § 13510.8** and Senate Bill 2 (the Kenneth Ross, Jr. Police Decertification Act), such conduct by a peace officer is grounds for suspension or **permanent revocation** of certification. Agencies have a mandatory duty to report such allegations to POST within 10 days (11 CCR § 1207). The falsification here was not a minor administrative error — it was a calculated effort to minimize the appearance of an unlawful overnight detention and to evade accountability.

This alone warrants immediate termination (or resignation in lieu thereof) and expedited referral to POST POSAD for decertification proceedings. Clear and convincing evidence of this falsification exists in the contradictory records themselves.

D. Seizure of Privileged Legal Mail and Potential First Amendment Retaliation

The warrantless seizure of my USPS box containing privileged legal correspondence and complaints against another law enforcement agency raises grave concerns of retaliation for the exercise of my First Amendment rights to petition the government for redress of grievances. This seizure was not justified by the (already baseless) charges and constitutes an independent constitutional violation.

E. Additional Policy and Constitutional Violations

- Failure to follow Policy 510 inventory, release, and accommodation procedures.
- Potential excessive force or unnecessary escalation in the handcuffing and detention of a fully cooperative, voluntarily stopped citizen (to be confirmed via BWC review).
- Violation of due process rights through falsification affecting my liberty interest and property rights (Mathews v. Eldridge, 424 U.S. 319 (1976) factors strongly favor pre-deprivation protections here).

III. AGGRAVATING FACTORS FOR MAXIMUM DISCIPLINE AND DECERTIFICATION (11 CCR § 1213 and POST Regulation 1216 Guidelines)

Pursuant to the POST Disciplinary Guidelines (effective February 17, 2026), the following aggravating factors are overwhelmingly present and demand the **most severe sanctions** — sustained findings, termination, and permanent decertification:

1. **Nature and severity of the act (Factor 1)**: False arrest, falsification of government records, and unconstitutional seizure of a citizen's primary transportation and privileged legal materials are among the most serious breaches of the public trust.
2. **Actual or potential harm to the victim (Factor 2)**: I suffered actual loss of liberty (overnight jail), severe financial harm (repossession threat, $4,000+ arrears, daily storage), emotional trauma, and ongoing property deprivation.
3. **Committed under color of authority (Factor 4)**: Every act was performed while in uniform, using County authority, vehicles, and the implicit threat of force.
4. **Clarity of rules violated (Factor 12)**: The requirements of probable cause, community caretaking doctrine, accurate record-keeping, and the elements of the charged offenses are fundamental, academy-level mandates. Ignorance is not a defense.
5. **Intentional, willful, or malicious acts (Factor 13)**: The falsification of release time/status and the refusal to credit my valid license and prescription documentation demonstrate clear intent and bad faith, not mere negligence or mistake.

These factors leave no room for mitigation. The only appropriate outcomes are sustained complaints, termination of employment, and referral for permanent revocation of peace officer certification.

IV. DEMANDS FOR IMMEDIATE OVERSIGHT, INVESTIGATION, AND REMEDIAL ACTION

To protect the integrity of the Santa Barbara County Sheriff's Office, fulfill your legal obligations, and avoid further liability, I demand the following **within ten (10) business days** of your receipt of this letter:

1. **Written acknowledgment** of this formal complaint and confirmation that a full, independent Internal Affairs investigation has been opened pursuant to Penal Code § 832.5, with the assigned investigator free from any conflict or command influence from the involved deputies or their supervisors.
2. **Immediate and ongoing preservation of evidence** (formal spoliation notice): All body-worn camera footage from Deputies Shin and Rivera for the entire encounter; all dash camera footage; all CAD/dispatch logs (including any records reflecting my voluntary stop prior to light activation); all jail intake, booking, cell surveillance, and release videos/audio; complete property seizure logs and chain-of-custody documentation for the USPS box and all items taken from my person or vehicle; all original and amended reports, citations, booking sheets, tow authorizations (CHP 180), communications with 805 Roadside Towing, CLETS/NCIC queries, and any other records or data relating to this incident. **Do not delete, overwrite, destroy, or alter any of these materials.** Failure to preserve will support spoliation sanctions and adverse inferences in any subsequent proceeding.
3. **Full and thorough investigation** resulting in **sustained findings** on every allegation of misconduct, including unlawful detention/false arrest, violation of vehicle towing and community caretaking policies, falsification of official records/dishonesty, improper seizure of privileged materials, and any other violations identified through BWC review or witness statements.
4. **Immediate referral to POST POSAD** for independent investigation and expedited decertification proceedings against Deputies Shin (#6189) and Rivera (#5341) for Serious Misconduct under 11 CCR § 1205(a)(1) (Dishonesty) and (a)(2) (Abuse of Power — knowingly false arrest), with a request for public hearing before the Peace Officer Standards Accountability Advisory Board and ultimate revocation of their certifications. Provide me with confirmation of this referral and the POST tracking number.
5. **Immediate dismissal and permanent withdrawal of all charges** in Citation #AS363045, with written confirmation that the Santa Barbara County District Attorney's Office has been notified and will not pursue prosecution, and that all related records will be expunged or sealed as appropriate.
6. **Immediate release of my 2020 Jaguar F-TYPE** from 805 Roadside Towing, with the County of Santa Barbara paying **all towing, storage, administrative, and release fees in full** (past, present, and any accruing). Provide written authorization to the tow company for immediate release to me or my designated agent at **no cost to me**. If the vehicle has been sold, damaged, or is otherwise unavailable, immediate payment of its full fair market value plus all consequential damages.
7. **Full monetary compensation** making me whole for all harms proximately caused by this misconduct, including:
   - Reimbursement of all towing/storage fees paid or incurred.
   - Full mitigation of repossession proceedings by Golden 1 Credit Union, including payment of all arrears, costs, attorney fees, and credit restoration.
   - Compensation for loss of use of the vehicle and all consequential financial harms.
   - Damages for false imprisonment, emotional distress, reputational injury, and any other provable harms.
   - Reasonable costs and (if applicable) attorney fees incurred in vindicating these rights.

   I am prepared to provide a detailed damages accounting and supporting documentation upon request. Initial direct financial harm already exceeds $4,000 in arrears alone, with daily accrual and repossession risk continuing.
8. **Written notification of investigation status and final disposition**, including any disciplinary recommendations or actions taken against the involved deputies, confirmation of POST referral, and compliance with all demands herein. I request periodic written updates (at minimum every 14 days) on the progress of the investigation.

I am fully prepared to cooperate with the investigation, provide additional evidence or testimony (with or without counsel), and engage in good-faith discussions toward a complete resolution that restores my rights, compensates my losses, and holds the responsible officers accountable.

V. RESERVATION OF RIGHTS AND CONSEQUENCES OF NON-COMPLIANCE

This letter places you on formal notice of my claims and preserves all rights and remedies. It constitutes a demand under applicable tort claim statutes (Gov. Code § 910 et seq.) and satisfies pre-litigation requirements for subsequent federal and state court actions.

Should you fail to initiate a good-faith investigation, preserve evidence, dismiss the fabricated charges, release the vehicle at County expense, or provide substantive relief within the demanded timeframe, I will have no alternative but to:

- File a formal Government Code tort claim and pursue civil litigation in federal court for violations of the Fourth, First, and Fourteenth Amendments, false arrest/imprisonment, conversion, and related claims (with potential for punitive damages and attorney fees under 42 U.S.C. § 1988).
- Submit parallel complaints to the California Attorney General's Office (pattern-or-practice authority), the U.S. Department of Justice Civil Rights Division (34 U.S.C. § 12601 and 18 U.S.C. § 242), and other state/federal oversight bodies.
- Seek all available sanctions for spoliation of evidence.

The Santa Barbara County Sheriff's Office has an opportunity — and a legal and moral obligation — to demonstrate that it takes officer accountability seriously, especially in cases involving clear falsification of records and baseless charges against a cooperative citizen. I urge you to seize that opportunity by acting decisively and transparently.

I look forward to your prompt, substantive response and to a resolution that restores my rights and reaffirms the public's confidence in your agency.

Respectfully and firmly submitted,

WHAT YOU NEED TO DO

Step ❶ Which box is checked on the front of the citation: APPEAR IN COURT ***or*** RESPOND TO CITATION?

Step ❷ Follow instructions based on the box checked on the front.

If APPEAR IN COURT *is checked on the front*

▶ **Your next step:** Go to court on the date, time and location on the front. Appearing in court is your **only option**. You can plead guilty or not guilty.
IMPORTANT: Missing court may result in a warrant for your arrest. Don't let that happen—go to court! The judge will explain next steps.

→ *Helpful Tip: Put the court date in your calendar, set a reminder, start planning now.*
→ **Juveniles:** If you were under 18 years old at the time of the violation, you must bring a parent or guardian with you to court.

If RESPOND TO CITATION *is checked on the front*

Citations can take up to 14 days to show up in the court system.
Keep checking to find your citation, and then complete Option A, B, C, or D by the date listed on front

▶ **Your next step:** Choose an option below and respond by the date.
IMPORTANT: Not responding by the date on the front can result in a "failure to appear" charge, a guilty finding, an additional fee of up to $100, and a hold on your car registration (owner's responsibility).
Choose one of the options below to avoid these penalties:

– **Option A: *Pay or Ask for a Reduction (Guilty Finding)***
  – Pay (online, call, in person). If you cannot pay in full now, contact the court (see front for contact information) to request a payment plan or extension.
  – Ask for a reduction at MYCITATIONS.COURTS.CA.GOV (takes about 10 minutes).

Note: This option may add points to your driving record and affect insurance.

– **Option B: *Request Traffic School*** To avoid points on your driving record, you can request traffic school. You pay the citation plus an additional traffic school fee and complete traffic school. Contact the court to see if you are eligible.

– **Option C: *Dispute the Citation (Plead Not Guilty)*** You can dispute the citation **in person** by requesting a court date for a trial (no cost) or **by mail** ("trial by written declaration"), which requires you to pay the fine up front (amount returned if citation is dismissed). Contact court for more details (court info on front of citation).

– **Option D: *Correctable ("Fix-It")*** If "Correctable" is checked on the front, first show an officer, authorized inspection agency, or DMV (license and registration issues only) that you fixed the issue, and they will sign the citation (below). Then, you must show the court that you fixed the issue to have the violation dismissed. You must also pay a transaction fee. For insurance issues, you must show the court you had insurance when you got the ticket and pay a transaction fee.

CERTIFICATE OF CORRECTION (MUST BE RETURNED TO COURT)

Section(s) Violated	Signature of Person Certifying Correction	Serial No.	Agency	Date

If **"Booking Required"** is checked on front call, 805-681-4357 to schedule an appointment before the court date. You will not be arrested and will attend your court date on your own.

SANTA BARBARA COUNTY GRAND JURY

CITIZEN REQUEST FOR INVESTIGATION

Submitted by:
Nyree Daquan Hinton
6230 Wilshire Blvd, Ste 1204
Los Angeles, CA 90048
Phone: (732) 979-6264
Email: nyreehinton@gmail.com

Date of Submission: June 13, 2026

Your Name: Nyree Daquan Hinton

Address: 6230 Wilshire Blvd, Suite 1204, Los Angeles, CA 90048

City, State and Zip: Los Angeles, CA 90048

Email address: nyreehinton@gmail.com

Telephone: (732) 979-6264

Who: Identify the local government body(ies) or official(s) you are asking the Grand Jury to investigate.

Santa Barbara County Sheriff's Office (SBSO), including but not limited to:
- Deputies Shin (Badge #6189) and Rivera (Badge #5341) (as specific actors whose conduct illustrates broader systemic issues)
- Sheriff Bill Brown (as agency head responsible for policy, training, supervision, and accountability)
- SBSO Professional Standards Unit / Internal Affairs (for handling of citizen complaints and record integrity)
- SBSO command and training staff responsible for compliance with constitutional standards, internal policies on arrests/detentions/towing, and accuracy of official records.

This request focuses on **systemic practices and potential deficiencies** within SBSO as a county agency, not solely individual criminal liability (which is outside Grand Jury civil investigative scope).

What: Describe the nature of your concern, and the particular government action, decision, or process you are asking the Grand Jury to investigate.

Serious misconduct and systemic deficiencies in the Santa Barbara County Sheriff's Office, including:

1. **Falsification of official government records**: Deputies Shin and Rivera (or supervising personnel) falsified booking and citation documents (Citation #AS363045, Booking #1193941) to falsely indicate "Cite Released" at 22:15 hours on April 30, 2026, when the citizen was in fact held in custody overnight until a formal jail release transaction on May 1, 2026 (~02:46). This constitutes intentional dishonesty in official records.
2. **Unlawful detention and false arrest lacking probable cause or reasonable suspicion**: On April 30, 2026 at ~19:34 hours at El Colegio Rd / Camino Pescadero, Goleta, the citizen **voluntarily pulled over and stopped** before any emergency lights were activated. Valid CA driver's license (Y9497611, held >12 years) was immediately presented. Charges included:
    - PC 148(a)(1) (Resisting/Obstructing) — legally impossible because officers were not acting in "lawful performance of duties" (no reasonable suspicion for detention).
    - VC 12500(a) (Driving without license) — directly contradicted by valid presented license (later verified by supervisor).
    - 4060 BP (Possession of controlled substance without prescription) — demonstrably false; medication was lawfully prescribed with bottle clearly labeled with citizen's name **and** doctor's name.

3. **Violation of SBSO internal policy on vehicle towing/impoundment (Policy 510)**: The 2020 Jaguar F-TYPE (CA Plate 9PCM313, VIN SAJDD1GX4LCK67497) was towed to 805 Roadside Towing (Invoice #68306) despite no community caretaking need, despite the registered owner being present/cooperative, despite explicit request for third-party retrieval, and despite the vehicle not being used in any offense or posing a hazard. This directly violates SBSO Policy Manual § 510.2 (requiring "community caretaking" need per amended VC § 22650; examples in § 510.2.3 for leaving vehicle at scene when owner present/willing/able and not involved in criminal activity).

4. **Improper seizure of privileged legal materials**: A USPS box containing privileged legal mail and complaints against another agency was seized without warrant or justification tied to any valid charge.

5. **Resulting and ongoing harms**: False imprisonment (overnight custody), extortionate storage fees ($125/day leading to >$4,000 arrears), imminent repossession threat by lienholder Golden 1 Credit Union, loss of primary transportation, emotional/financial distress, and seizure of personal/privileged property.

This well-documented incident exposes potential systemic failures in SBSO regarding:
- Training and supervision on 4th Amendment requirements, probable cause elements, and verification of exculpatory evidence (licenses, prescriptions).
- Integrity and accuracy of official records (falsification violates SBSO Standards of Conduct, Policy § 340.3.6 prohibiting falsification/misleading entries with intent to deceive).
- Compliance with internal towing policies (Policy 510 community caretaking doctrine).
- Effectiveness of internal affairs/complaint handling and accountability mechanisms (including SB 2/POST decertification reporting obligations under 11 CCR §§ 1205, 1207 for "Serious Misconduct" — Dishonesty and Abuse of Power).

These practices affect public trust, constitutional rights of citizens, and the fair administration of justice in Santa Barbara County. The Grand Jury is requested to investigate these issues as part of its authority to examine county government operations, policies, and potential maladministration or deficiencies for the improvement of local government.

See attached detailed narrative letter and supporting documents for hyper-specific facts, verbatim policy quotes, legal analysis, evidence list, and prior communications.

When: Give the date(s) of the event(s) you are asking the Grand Jury to investigate.

Primary incident: April 30, 2026, at approximately 19:34 hours (arrest/detention/towing at El Colegio Rd / Camino Pescadero, Goleta, CA).

Re: Formal Citizen Request for Grand Jury Investigation into Systemic Deficiencies in Santa Barbara County Sheriff's Office — Unlawful Detention, False Arrest, Falsification of Official Records, and Violation of Internal Towing Policies (Deputies Shin #6189 and Rivera #5341; Agency Case #260004258; Citation #AS363045)

Dear Members of the Santa Barbara County Grand Jury:

I respectfully submit this formal request for investigation, together with the completed Citizen Request for Investigation form, pursuant to your authority to examine the operations, policies, and potential maladministration of county government agencies, including the Santa Barbara County Sheriff's Office (SBSO). This submission is made in good faith to prompt a thorough, independent review that serves the public interest in accountable local government, protection of constitutional rights, and improvement of law enforcement practices in our community.

This is not merely a complaint about one incident. It is a well-documented case study of potential systemic failures in SBSO that affect every citizen who interacts with the agency: the integrity of official records, adherence to constitutional standards for arrests and seizures, compliance with the agency's own internal policies, and the effectiveness of accountability mechanisms. The Grand Jury is uniquely positioned to investigate these issues independently and issue public recommendations for reform.

I. FACTUAL BACKGROUND (Hyper-Specific and Evidence-Based)

On April 30, 2026, at approximately 19:34 hours, I voluntarily pulled my 2020 Jaguar F-TYPE over and came to a complete stop at El Colegio Road and Camino Pescadero in Goleta **before any emergency lights were activated**. I was fully cooperative, immediately presented my valid California driver's license (Y9497611, held without issue for over 12 years), and complied with all instructions.

Despite this, Deputies Shin (#6189) and Rivera (#5341) detained me, handcuffed me, searched my vehicle, and seized items including a USPS box containing privileged legal mail. I was booked into Santa Barbara County Jail (Booking #1193941) and held in custody overnight. My vehicle was towed to 805 Roadside Towing (Invoice #68306) despite my requests for third-party retrieval.

Critical contradictions in official records: The citation and booking documents were falsified to show I was "Cite Released" at 22:15 on April 30. In reality, a formal "Release Inmate - Card" transaction occurred on May 1, 2026 at approximately 02:46. This is not a minor administrative error — it is a deliberate falsification of government records designed to conceal the true nature and duration of the detention.

The charges were demonstrably false and lacked probable cause: - PC 148(a)(1): Legally impossible (officers not in lawful performance of duties; no reasonable suspicion after voluntary stop). - VC 12500(a): Directly contradicted by my valid, presented license (later verified by a supervisor). - 4060 BP: Directly contradicted by my lawfully prescribed medication, with the bottle clearly labeled with **my name and my doctor's name**.

These facts are corroborated by the citation itself, jail transaction records, tow documents noting the USPS box seizure, body-worn camera footage (which will confirm the voluntary stop and my cooperation), and physical evidence (prescription labels).

The unlawful impound has caused ongoing financial harm: daily storage fees of $125 have generated over $4,000 in arrears, triggering repossession proceedings by my lienholder, Golden 1 Credit Union. I have suffered false imprisonment, property deprivation, and severe distress through no fault of my own.

Prior to this submission, I provided SBSO and Sheriff Brown with formal complaints and demands (June 7, 2026) and a spoliation/preservation notice (May 28, 2026). No meaningful investigation or relief has been provided.

II. SYSTEMIC ISSUES REQUIRING GRAND JURY INVESTIGATION

This incident reveals potential deficiencies in SBSO that warrant independent scrutiny:

A. Record Integrity and Falsification

SBSO Policy Manual § 340.3.6 (Standards of Conduct) prohibits "the falsification of any work-related records, the making of misleading entries or statements with the intent to deceive." The clear contradiction between the falsified

"Cite Released" notation and the actual jail release transaction on May 1 raises serious questions about training, supervision, and cultural tolerance for inaccurate official records. Under SB 2 and 11 CCR § 1205(a)(1), such dishonesty constitutes "Serious Misconduct" requiring mandatory reporting to POST. Has SBSO complied with its reporting obligations? Are there other instances of record falsification?

B. Compliance with Constitutional Standards and Internal Policies on Arrests/Detentions
Deputies initiated (or continued) a custodial detention and made arrests/charges without reasonable suspicion or probable cause, ignoring readily available exculpatory evidence (valid license, labeled prescription). This suggests deficiencies in training on 4th Amendment requirements, PC 148(a)(1) elements, and basic evidence verification. Policy failures here expose citizens to false arrests and the County to liability.

C. Vehicle Towing and Community Caretaking Doctrine (Policy 510)
SBSO Policy Manual § 510.2 explicitly requires that any vehicle removal achieve a legitimate "community caretaking" need (per amended Vehicle Code § 22650). It is no longer sufficient to rely on circumstances in VC § 22651. Policy § 510.2.3 provides clear examples where a vehicle should be left at the scene when the registered owner is present, willing, able, and the vehicle was not used in criminal activity.

My vehicle met every criterion for non-impoundment. The refusal to honor my third-party retrieval request and the decision to tow anyway directly violated your agency's own policy. This is not an isolated mistake — it is a policy violation with severe financial consequences for citizens. The Grand Jury should examine how frequently SBSO deputies comply with Policy 510 post-arrest and whether training/supervision is adequate.

D. Accountability and Complaint Handling
Despite clear documentary evidence of falsification and baseless charges, my June 7 formal complaint to Professional Standards has not resulted in visible action. This raises questions about the effectiveness and independence of SBSO's internal affairs processes. Under Penal Code § 832.5, citizen complaints must be investigated. The Grand Jury can review whether SBSO is meeting its obligations and whether reforms are needed to ensure meaningful accountability (including timely POST referrals under SB 2).

These issues go to the core of public trust in county government and law enforcement. A single well-documented case like mine can reveal patterns or cultural problems that affect hundreds of interactions every year.

III. LEGAL AND POLICY FRAMEWORK SUPPORTING INVESTIGATION

- **4th Amendment / Terry v. Ohio**: No reasonable suspicion for detention after voluntary stop; no probable cause for charges.
- **PC § 148(a)(1)**: Requires lawful officer duties — absent here.
- **SBSO Policy 510 (verbatim)**: Community caretaking requirement; examples for leaving vehicle at scene.
- **SBSO Policy § 340.3.6**: Prohibition on falsification of records.
- **SB 2 / 11 CCR § 1205**: Serious Misconduct (Dishonesty, Abuse of Power) — mandatory reporting and decertification pathway.
- **Penal Code § 832.5**: Citizen complaint investigation requirements.
- **Grand Jury Authority**: Broad power to investigate county agencies for maladministration, policy deficiencies, and recommendations for improvement (Penal Code §§ 888 et seq. and related provisions governing civil grand jury functions).

IV. REQUESTED ACTION BY THE GRAND JURY

I respectfully ask the Grand Jury to:

1. Accept this request and open a formal investigation into the April 30, 2026 incident **and** the systemic issues identified above within SBSO.
2. Exercise your authority to obtain and review all relevant records (BWC/dash cam footage, CAD logs, jail records, tow documents, IA files, training materials, towing statistics, prior similar complaints).
3. Interview involved personnel, supervisors, and witnesses as appropriate.
4. Issue a public report with findings and specific, actionable recommendations for:
    - Enhanced training on constitutional standards and evidence verification.
    - Strengthened protocols for record accuracy and anti-falsification measures.
    - Reforms to towing/impound practices to ensure Policy 510 compliance.
    - Improvements to internal affairs processes and transparency in complaint handling.

- Full compliance with SB 2/POST reporting obligations.

5. Confirm preservation of all evidence and take any steps necessary to protect the integrity of records.
6. Refer findings, as appropriate, for individual discipline, POST decertification review, or other remedial action.

This investigation will serve the interests of justice, protect the rights of Santa Barbara County residents, and help restore public confidence in local law enforcement. I am prepared to provide any additional information, testimony, or documentation the Grand Jury requires. All evidence has been preserved and is available for your review.

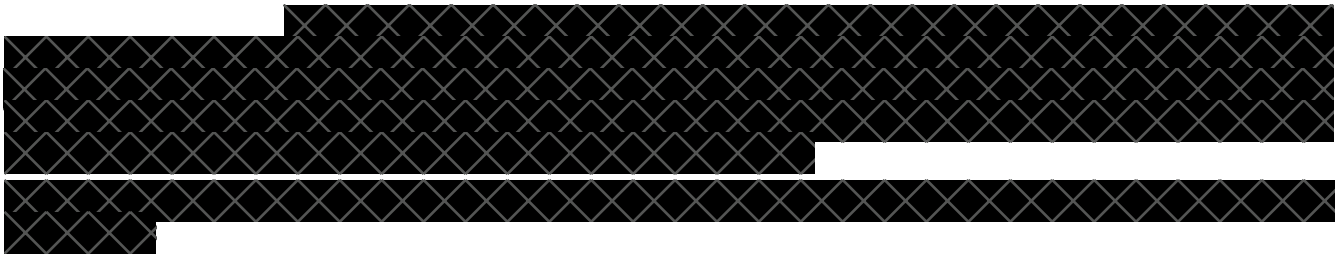

Thank you for your time, your service to our community, and your commitment to accountable government. I look forward to your prompt acknowledgment and the initiation of this important review.

Respectfully submitted,

Nyree Daquan Hinton

Re: Unlawful Detention, False Arrest, Extortionate Seizure of Property, and Falsification of Records (Agency Case #260004258 / Booking #1193941 / Citation #AS363045)

Dear Sheriff Brown:

This letter serves as a formal pre-litigation demand regarding the severe and ongoing violations of my constitutional rights committed by Deputies Shin (#6189) and Rivera (#5341) on April 30, 2026. The deputies' actions constitute an unlawful detention under the Fourth Amendment, a false arrest, an unconstitutional seizure of my 2020 Jaguar F-TYPE, and a clear falsification of official booking records. I am writing to demand the immediate dismissal of all fabricated charges, the release and full compensation for my seized vehicle, and restitution for the impending repossession proceedings initiated by my lender as a direct consequence of this unlawful police action.

Factual Background

On April 30, 2026, at approximately 19:34 hours, I voluntarily pulled my vehicle over and came to a complete stop at El Colegio Road and Camino Pescadero prior to Deputy Shin activating his emergency lights. Because I was already stopped and voluntarily exiting the vehicle, the deputies lacked the requisite reasonable suspicion or probable cause to initiate a custodial detention. Despite my full cooperation and the presentation of my valid, 12-year driver's license, the deputies arrested me, searched my vehicle without a warrant, and seized my privileged legal mail.

Following the arrest, my vehicle was impounded at 805 Roadside Towing. I was subsequently booked into the Santa Barbara County Jail and held overnight for approximately 14 hours. However, Deputy Shin falsified the official arrest citation and booking records to reflect that I was "Cite Released" at 22:15 hours on April 30. Furthermore, as a direct result of the ongoing, extortionate storage fees and deprivation of my vehicle, my lienholder, Golden 1 Credit Union , is threatening repossession due to over-collected arrears resulting directly from the deputies' misconduct.

First: The Detention and Arrest Lacked Probable Cause and Violate the Fourth Amendment

The charges levied against me are legally invalid. Under California Penal Code § 148(a)(1), an individual can only be charged with obstruction if the officer is acting in the "lawful performance of his or her duties". Because the initial detention bypassed the legal threshold for a traffic stop and was conducted without probable cause, the deputies were acting outside their lawful authority. Consequently, the PC 148(a)(1) charge, as well as the fabricated VC 12500(a) (Unlicensed Driver) charge—which is contradicted by my valid license later verified by your own sergeant—must be dismissed immediately.

Second: The Vehicle Impoundment Violates the Community Caretaking Doctrine and SBSO Policy

The impoundment of my 2020 Jaguar violated the Fourth Amendment and SBSO's own internal policies. The Ninth Circuit Court of Appeals has firmly established that an impoundment is unconstitutional if there is no immediate threat to public safety and a reasonable alternative exists (such as allowing a third party to retrieve the vehicle).

Furthermore, SBSO Policy Manual § 510.2 explicitly states that warrantless vehicle removal must achieve a legitimate "community caretaking" need. By denying my request for an alternative pickup, the deputies executed an unlawful seizure. This wrongful taking has now caused a cascading financial crisis, exposing the County to severe damages for conversion and property deprivation, as it triggered Golden 1 Credit Union's repossession efforts.

Third: The Falsification of Booking Records Violates State Law and SBSO Standards of Conduct

The deliberate falsification of my release time on the official booking sheet to conceal a 14-hour overnight detention is a gross violation of law. Under California Penal Code § 13510.8 and 11 CCR § 1205, dishonesty relating to the reporting or investigation of a crime—including intentionally filing false reports or falsifying records—is grounds for the revocation of a peace officer's certification. Furthermore, this action directly violates SBSO Policy Manual § 340.3.6(i), which strictly prohibits "the falsification of any work-related records, the making of misleading entries or statements with the intent to deceive".

Demand for Resolution

The County’s exposure to liability under 42 U.S.C. § 1983, the Bane Act, and state tort law for false imprisonment and conversion is absolute. To resolve this matter without protracted litigation, I demand the following:

1. The immediate withdrawal and dismissal of all charges associated with Citation #AS363045.
2. The immediate release of my 2020 Jaguar from 805 Roadside Towing, with the County covering all accrued storage and towing fees.
3. Financial compensation for the damages directly caused by this incident, including the $4,000 in excessive arrears and the impending repossession actions by Golden 1 Credit Union.

I stand ready to discuss a resolution that makes me whole and addresses these severe constitutional violations. If these demands are not met, I will pursue all available civil remedies in federal court.

Sincerely,

Nyree Hinton

Thanks for clarifying, but must I draft two new request? Is there anything the previous request satisfies at minimum? I think the CPRA one is pretty straightforward, and I can resubmit the preservation request as a follow up.

Thanks,
Nyree

Hello Nyree,
Thank you for your response.
We received a request for both a California Public Records Act (CPRA) request and a Preservation of Evidence request. Please resubmit your requests and separate them accordingly, as a Preservation of Evidence request is a separate process from a CPRA request and must be handled independently.
If you have any questions, please feel free to reach out to me.
Thank you.

Hi Terasa,

Sure, having cellular connection issues at the moment. Is there anything specific you'd like me to clarify in the CPRA request?

Thanks,
Nyree
